SPIDER-MAN
Spidey gets into yet another sticky situation as he enters a world of goblin ghoulery. Witness the unmasking of the Green Goblin and the mind bogging first appearance of the Hobgoblin as two of Marvel's most popular storylines come together to chronicle two very nightmarish tales for the arachnid with a wit! Both issues are completely digitally re-mastered for enhanced color and art quality like never before! With newly added biographies and behind the scenes artwork not previously offered in the original issues.
